

Meeting Location

The meeting place is located at 402 Roycefield Rd, The old GSA property and now the home of the Hillsborough Department of Public Works and the Somerset County Fire Training Academy. The Academy is located at the rear of the property and is not visible from the road. Traveling south on Route 206 turn left at the Dukes Parkway West light. Turn left at the first light onto Roycefield Road. About 100' before the Railroad crossing is the entrance gate for 402 Roycefield Rd. enter the gate and follow the road to the immediate right that goes along the perimeter of the property. After passing the Department of Public Works Facility yard you will see The Fire Academy. Park and enter through the main entrance. Usually the test location is in the conference room at the end of the first corridor on the right. If traveling on route 206 North from the Princeton area make a left onto Valley Rd turning right onto Roycefield Rd that is about ½ miles from Route 206. After crossing the Railroad crossing make the first right through the gate and follow the road around to the rear of the property to the Academy.
